### International Merchandise Trade Statistics (IMTS)

Online course from 16 March to 26 April 2026  
and webinar on 5 May 2026

The objective of the course is to enhance the capacity of trade statisticians to apply the most recent internationally agreed recommendations (IMTS 2010), to define the best possible data sources, to set up or enforce collection systems, and to strengthen statistical production processes. Furthermore, the course would raise awareness of the importance of quality, metadata, timely dissemination, and linkages to economic analysis and national policy objectives.

## Annex 1. Creating an account on the registration platform

1. Go to the following page <https://tft-reg.unctad.org/en/register>.

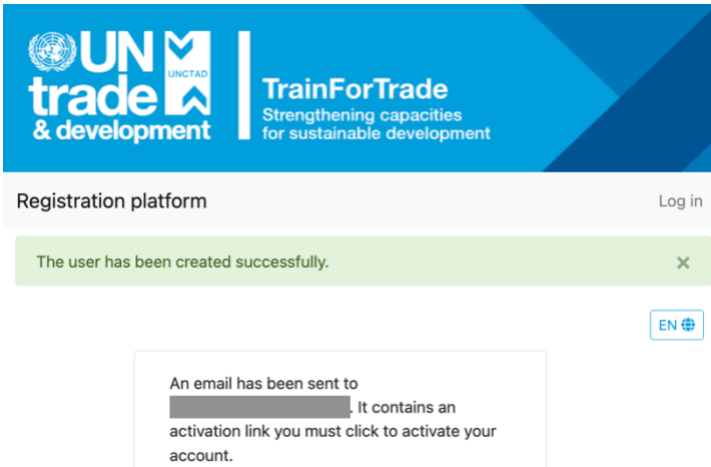

2. Fill out the required fields with your email address, password, preferred language, acknowledge programme's privacy policy and click "Register".

**It is important to enter a valid email address because an activation link will be sent to this email to finalize your application process.**

The screenshot shows the 'Create an account' form on the TrainForTrade registration platform. The header includes the UN trade & development logo and the TrainForTrade logo with the tagline 'Strengthening capacities for sustainable development'. Below the header, there is a 'Registration platform' label and a 'Log in' link. The form itself is titled 'Create an account' and includes a note: 'We will send you an email with a link to activate your account. Please use a valid email.' The form fields are: 'Email' (required), 'Password' (required), 'Repeat password' (required), and 'Preferred language' (dropdown menu set to 'English'). There are two checkboxes: 'I acknowledge the programme's privacy policy' (unchecked) and 'I wish to receive announcements from the TrainForTrade programme.' (checked). A note below the checkboxes states: 'You will always be able to change your choice from your user profile.' At the bottom of the form is a blue 'Register' button, which is highlighted with a red rectangle.

3. Information confirming creation of the user account should be displayed.

The screenshot shows the confirmation page after successful account creation. The header is the same as the previous page. Below the header, there is a 'Registration platform' label and a 'Log in' link. A green success message bar states: 'The user has been created successfully.' Below this, there is a box containing the text: 'An email has been sent to [redacted]. It contains an activation link you must click to activate your account.' At the bottom right, there is a language selector showing 'EN' with a globe icon.

4. In your email inbox (or in your spam folder) open the activation email from “**UNCTAD TrainForTrade** <[tftreg-noreply@unctad.org](mailto:tftreg-noreply@unctad.org)>” and click on the activating link.
