5. You will see the following message confirming that your application has been successfully submitted.

The screenshot displays the 'Registration platform' interface. At the top, there is a blue header with the UN Trade & Development logo and the 'TrainForTrade' branding, which includes the tagline 'Strengthening capacities for sustainable development'. Below the header, a navigation bar shows 'All my courses' with a notification bell icon containing the number '5' and a user profile icon. A breadcrumb trail indicates the current location: 'Homepage / All my courses / Statistics of International Trade in Services 2025 (SITS) / Application form'. A green success message states 'Your application has been submitted.' with a close button. The 'Course application' section shows the details of the submission: 'Your application for course "Statistics of International Trade in Services 2025 (SITS)" was submitted the 06.08.2025 at 13:56.' To the right of this text are two buttons: a purple 'Review' button and a grey 'Make changes' button with a pencil icon.

Annex 1. Creating an account on the registration platform

1. Go to the following page <https://tft-reg.unctad.org/en/register>.

2. Fill out the required fields with your email address, password, preferred language, acknowledge programme's privacy policy and click "Register".

It is important to enter a valid email address because an activation link will be sent to this email to finalize your application process.

The screenshot shows the 'Create an account' form on the TrainForTrade registration platform. The header includes the UN trade & development logo and the TrainForTrade tagline 'Strengthening capacities for sustainable development'. Below the header, there is a 'Registration platform' label and a 'Log in' link. A language selector shows 'EN'. The form itself has the title 'Create an account' and a note: 'We will send you an email with a link to activate your account. Please use a valid email.' The form fields are: 'Email' (required), 'Password' (required), 'Repeat password' (required), and 'Preferred language' (a dropdown menu currently set to 'English'). Below these fields are two checkboxes: 'I acknowledge the programme's privacy policy' (unchecked) and 'I wish to receive announcements from the TrainForTrade programme.' (checked). A note below the second checkbox states: 'You will always be able to change your choice from your user profile.' At the bottom of the form is a blue 'Register' button, which is highlighted with a red rectangle in the image.

3. Information confirming creation of the user account should be displayed.

The screenshot shows the registration platform after successful account creation. The header is the same as in the previous image. Below the header, there is a 'Registration platform' label and a 'Log in' link. A green success message box states: 'The user has been created successfully.' with a close button (X). A language selector shows 'EN'. Below this, a white box contains the message: 'An email has been sent to [redacted]. It contains an activation link you must click to activate your account.'

4. In your email inbox (or in your spam folder) open the activation email from “**UNCTAD TrainForTrade** <tftreg-noreply@unctad.org>” and click on the activating link.

Hello [REDACTED]!

To finish activating your account, please visit:

[https://tft-reg.unctad.org/register/confirm/\[REDACTED\]](https://tft-reg.unctad.org/register/confirm/[REDACTED])

This link can only be used once to validate your account.

Regards,

TrainForTrade

In case you have not received the activation email neither in your inbox nor in your spam folder, please contact Tomasz at kulaga@un.org or trainfortrade@unctad.org.
